

NOVA 10 CONNECT

10000 lumen COB LED work light for 18 V/20 V battery packs

ORIGINAL
SCANGRIP

SINCE 1906

The powerful and sturdy NOVA 10 CONNECT features the latest COB LED technology and provides up to 10000 lumen making it a universal all-round work light for the demanding professional user.

NOVA 10 CONNECT is compatible with METABO/CAS battery system 18 V and all other 18 V/20 V battery packs from leading power tool brands by using the SCANGRIP CONNECTOR. In addition, the POWER SUPPLY can be used for direct power providing unlimited availability to light. NOVA 10 CONNECT also has an internal back-up battery securing 1 extra hour at 1000 lumen.

With the user-friendly BLUETOOTH light control app, you get an extraordinary possibility to turn on/off and control up to four work lights through a mobile device. The built-in dimmer function enables you to adjust the light output into five different levels. This feature saves time from manual operation and increases work efficiency on a daily basis. It is designed with a display for battery capacity and lumen output level, and supplied with a built-in power bank.

NOVA 10 CONNECT is extremely sturdy and waterproof (IP65). The design is elegant, with a carrying handle and a stand for flexible positioning and direct mounting on the SCANGRIP TRIPOD.
