

BRIEF INFORMATION

Heavy Duty Wiper

- Built tough
- Longlife performance

PRODUCT FEATURES

TECHNOLOGY TRENDS

- Professional performance
- Increasing sizes
- Specific features: Spray bars

CHALLENGES

- Total cost of ownership
- Right range to cover latest vehicles

SOLUTION (BY HELLA)

- Complete range
- Extensive coverage
- Sets with spray bars for specific applications

Large, robust vehicles require equally robust wiper blades. That's why only high-quality steel was used for the HELLA wiper blades. In addition, the blades have been specially coated for a longer lifetime, meaning that the wiper blades do not need to be changed so often.
